

Welcome to CARE in Bolton

At CARE we offer you the very best chance of becoming pregnant. Discreet and caring, we treat all our patients as individuals and provide emotional support and guidance throughout your treatment and beyond.

CARE is situated in the Beaumont Hospital, Bolton in a quiet residential area. Professionally staffed and equipped, patient facilities are of the highest standard. Patient care is our priority.

We are able to provide open access to the most up-to-date procedures, techniques and comprehensive fertility treatments in partnership with CARE in Manchester. Consultations, daily monitoring and injections are available locally in Bolton with patients travelling to Manchester only for the most complex parts of the treatment. Intra-uterine insemination is also available in Bolton.
