Welcome to CARE in Manchester

At CARE we offer our patients the very best chance of becoming pregnant. Discreet and caring, we treat all our patents as individuals and provide emotional support and guidance through treatment and beyond.

CARE is situated in the Manchester Lifestyle Hospital, Victoria Park, a quiet area just five minutes drive from Manchester City Centre. The hospital has been recently refurbished to a high standard with the excellent facilities one would expect of a modern private hospital.

DIRECTIONS

By ROAD - **From the South (M56)** - At the end of the M56 continue along the A5103 Princess Parkway to Manchester. Turn right at the traffic lights into the B5219 Moss Lane East. Continue along to the end of Moss Lane East and turn right at traffic lights into Oxford Road and immediately left into Oxford Place. At the junction of Oxford Place and Anson Road, go straight over into Daisy Bank Road. The hospital is on the left.

From the East (M67) - Follow the M67 to Denton and continue on to the A57 Manchester Road towards central Manchester. At the junction with the B6178 turn left on to Kirkmanshulme Lane and right into A6 Stockport Road. Turn left into Plymouth Grove (A5184) and left again into Daisy Bank Road. The hospital is on the right.

From the West (M61, M62) - Follow the motorway network through to the M60 towards Stockport and follow the M602 towards Salford. *Follow the road through to Regent Road and take the A57(M) Mancunian Way. Take the second exit off (signposted Congleton and Manchester University) and bear left onto the A34 Upper Brook Street. After the junction with Hathersage Road at the traffic lights, take the next left turning into Daisy Bank Road. The hospital is on the left.

From the North (M66, M62) - From the motorways take the M602 towards Salford and follow directions as above *(from the West).

By RAIL - Manchester Piccadilly is the nearest railway station, approximately 10 minutes by taxi.

By AIR - The nearest airport is Manchester, approximately 20 minutes by taxi.
