Failed fertilisation/cleavage	360.00
Failed frozen embryo thaw (plus HFEA fee refund)	530.00

Payment Options**BMI The Saxon Clinic Payment policy :**

BMI policy is that The Saxon Clinic must be in receipt of cleared funds prior to treatment taking place. Should you wish to pay by debit/credit card, cash or BACS transfer, please call the Saxon Clinic Finance Office on ext 314. Payment made by cheque must be received 7 full working days prior to treatment to ensure sufficient time to clear the funds. Banker's Drafts are not accepted as cleared funds and require the same clearance time as any other cheque.

CARE Northampton Payment policy :

In order to keep costs down, patients are kindly asked to pay fees on the same day of attendance. Cash, cheques or credit cards are accepted, personal cheques can be accepted up to the value of the guarantee card. Our preferred method of payment is by debit card (no charge) or credit card (1.5% charge).

In cases where your Health Insurance may fund consultations and investigations, you will need to pay the fees directly to **CARE** then claim the cost back from your Health Insurance. We are unable to negotiate claims directly with Health Insurers.

Please be aware that CARE reserves the right to amend prices without notice. The prices stated above can only be guaranteed where payment has been received in full.

Effective from 1 January 2012
