

Welcome to CARE in Northampton

At CARE we offer our patients the very best chance of becoming pregnant. Discreet and caring, we treat all our patients as individuals and provide emotional support and guidance through their treatment and beyond.

The Northampton unit is located in a quiet area, within easy walking distance of the town centre.

The unit offers dedicated, state of the art facilities of the highest standard.

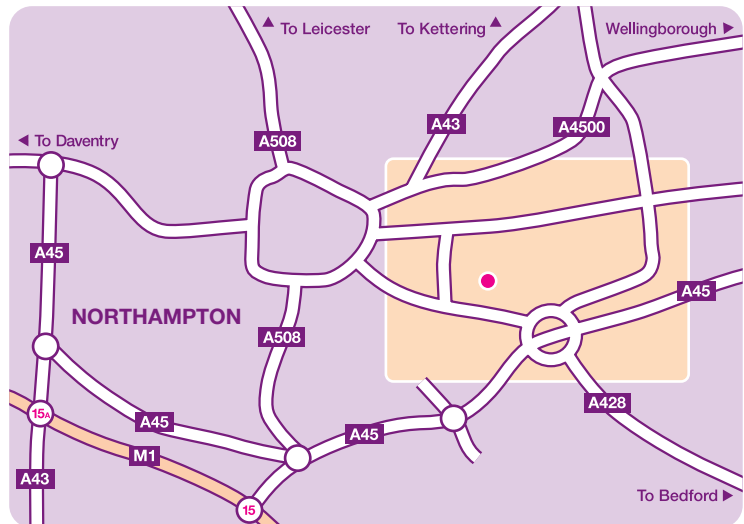

A high degree of privacy, comfort and patient care is provided in a relaxed and friendly atmosphere.

DIRECTIONS

By ROAD - From the M1, leave at junction 15 and head towards Northampton, join the A45 Northampton bypass, following the red "H and A&E" signs, leaving the bypass at the A428. Turn right at the traffic lights into Cliftonville Road. Take the 2nd turning right into The Avenue. CARE is on your right.

By RAIL - The nearest station is Northampton with good national rail links. Taxis are available at the station.

By AIR - The nearest airport to Northampton is Luton, approximately 40 minutes by road.
