

CARE FERTILITY SUPPORT

Having fertility treatment can be a challenging process and **CARE** is committed to providing support for your emotional as well as physical wellbeing.

BUDDY SUPPORT provides peer-to-peer support for our patients and partners.

CARE also holds regular **ONLINE SUPPORT MEETINGS**: for more information, [click here](#).

FERTILITY NETWORK UK provides practical and emotional support, information and advice for anyone experiencing fertility issues. The charity works to raise the profile and understanding of fertility issues and to push for timely and equitable provision of fertility treatment throughout the UK. **CARE** is proud to be part of FNUK's Patient Pledge to provide exceptional emotional support to their patients at all stages of their journey.
